ELECTIVES INFO

Students who began 9th grade **prior** to the 2024-2025 school year need **5.25** elective credits total.

Students who began 9th grade **during or beyond** the 2024-2025 school year need **5.25** elective credits total.

Courses in any subject area will count toward your elective credits ***after*** the subject area requirements are met.

Ex: You have met all the Mathematics requirements but want to continue on to take AP Calculus. The course would still be labeled as Mathematics on your transcript **AND** (bonus!) will count toward meeting your elective requirement.

Ex: You earned .5 credit MNOHS Advisory so that requirement is met. However, since students take MNOHS Advisory every quarter, any credit earned after .5 will count toward your elective credit requirement.
