Students and teachers are expected to be online, and actively learning and teaching, from the first day of the quarter to the last. These are called instructional days. There are 39-43 instructional days per quarter, depending on when holidays fall. During the school year, the MNOHS Academic Success Center (ASC) is open on all instructional days.

Students are also welcome to do course work on weekends, holidays and breaks, if that suits their schedules better.

New students are expected to attend the orientation day their first quarter at MNOHS.

Non-instructional week days include:

- New Student Orientation Day - New students and all teachers are required to be actively learning and teaching. Returning students are not, but they are welcome to work on workshops.

- School holidays and breaks - Neither students or teachers are required to be active in MNOHS.

Courses are open if students need or want access--except Labor Day which is before the start of the school year.

- Teacher grading days and system upgrade and teacher planning days - Students are not required to be online. Courses are not accessible, but workshops are. Teacher responsibilities depend on the individual's role at MNOHS.

Important Dates

SUMMER 2026

June 16 - Summer Session Orientation
 June 17 - Summer Session starts
 June 19 - Juneteenth Holiday (no school)
 July 3 - Independence Day Holiday (no school)
