MINNESOTA ONLINE HIGH SCHOOL

2025-2026 SCHOOL YEAR CALENDAR | DISTRICT #4150

Students and teachers are expected to be online, and actively learning and teaching, from the first day of the quarter to the last. These are called instructional days. There are 40-43 instructional days per quarter, depending on when holidays fall.

During the school year, the MNOHS Academic Success Center (ASC) is open on all instructional days.

Students are welcome to do coursework on weekends, holidays, and breaks if that suits their schedules better.

New students are expected to attend the orientation day in their first quarter at MNOHS.

Non-instructional weekdays include:

- **New Student Orientation Day** - New students and all teachers are required to be active. Returning students are not, but they are welcome to review MNOHS resources and complete workshop tasks.

- **School holidays and breaks** - Neither students or teachers are required to be active in MNOHS. Courses are open if students need or want access--except Labor Day which is before the start of the school year.

- **Teacher grading days and teacher planning days** - Students are not required to be online. Courses are not accessible, but workshops and resources are. Teacher responsibilities depend on the individual's role at MNOHS.

SCHOOL YEAR 2025-2026 ASSESSMENT SCHEDULE
