### Teacher grading days - See explanation below calendar

### Systems upgrade and teacher planning days - See explanation below calendar

### Non-instructional days include:

- School holidays and breaks: Neither students or teachers are required to be active in MNOHS. Courses are open if students need or want access—except Labor Day which is before the start of the school year.

### Teacher grading and system upgrade and teacher planning days: Students are not required to be online.

Courses are not accessible, but academic enrichment workshops are. Teacher responsibilities depend on the individual's role at MNOHS.

---

## Students and teachers are expected to be online, and actively learning and teaching, from the first day of the quarter to the last. These are called **instructional days**. There are 41-42 instructional days per quarter. The MNOHS Academic Success Center (ASC) is open on all instructional days. Students are also welcome to do course work on weekends, holidays and breaks, if that suits their schedules better.
