

Dear Parent/Guardian:

Minnesota Online High School is proud to introduce the Peer Leaders Program, a peer mentoring group that pairs experienced MNOHS students with incoming 9th grade or transfer students. The Peer Leaders will be a source of support for your student during the upcoming school year. The goal of this group is to help students make connections with their peers at MNOHS and learn to navigate MNOHS and online learning with the support of a returning student.

Your student will check in weekly with Peer Leaders, and they will participate in regular large group activities – both online and in-person when possible. The Peer Leaders will work with your student to set goals and work toward them during the school year.

If you would like your student to participate, we need your permission to share their personal information (Name, Grade, and Contact Information) for the purpose of connecting with their Peer Leader. Please complete and return this form to Amanda Seelen at Minnesota Online High School. Forms can be sent to a.seelen@mail.mnohs.org

If you have any questions or concerns, please feel free to contact Amanda Seelen at 320-406-8155 or 800-764-8166 x157.

Yes, I want my student to participate in the Peer Leaders program and give permission for the Program Coordinator to share my student's personal information.

No, I do not want my student to participate in the MNOHS Peer Leader program.
